EDUCATION

2015-2019 B.S. Computer Science, B.S. Mathematics *Vanderbilt University*

2011-2015 High School Diploma, *Plainfield North High School*

- Graduated first in class
- Weighted GPA of 4.86/4.00
- National Merit Finalist

EXPERIENCE

2012-2015 Competitor, *Plainfield North High School Math Team*

- Competed in contests to solve complex problems quickly and accurately. Placed first individually and in the 2-Person Team competition on a regional level in 2013 and 2015. Communicated with my partner in the 2-Person Team competition as well as my team in the 8-Person Team competition to attempt to perform as well as possible.

2011-2015 Varsity Captain, *Plainfield North High School Scholastic Bowl*

- Held a leadership position for three years, serving as varsity captain my final year. I was a member of the all-conference team for four years, and led my team to NAQT Nationals qualification as varsity captain. I worked to coordinate my team in and out of competition via communication with both players and my co-captain, creating balanced rosters with contingencies in place to optimize our play.
